**Virtual and Augmented Reality in
Education**

by

**Dr. (Mrs.) J. Johnsi Priya,
Assistant Professor in Education
Meston College of Education**

28/02/2022

4:30 pm

Media Centre
Meston College Of Education

Objectives of Presentation

Teacher Educators will be able to :

- improve education by providing students with measurable and immersive experience
- provide knowledge on VR and AR to build and design e-content.

LET US LEARN AND GROW TOGETHER

ALL ARE WELCOME
